हिन्दी प्रार्थना - गीत

ज्ञान कर्म प्रेम रूपी लक्षय दिखाएँ...
 सत्य धर्म के पथ पर हमको ले चलें
 एकता की डोरी से हम सब को बाँध लें.....
 भ्रातृभाव वतन - भाक्ति दिल में भरा दें....
 मार्ग सेवा के हमें, तू ही सिखा दें...
 नाम मानव का सदा योग्य बना दें...
 एकता की डोरी से हम सब को बाँध लें.....

Trans: Let us be shown the motto of Learn,
 Labour and Love
 Let us be taken through the path of
 truth and righteousness
 Let us be bound with the thread of love.
 Let our minds be filled with fraternity and patriotism
 Let us be taught the path of service
 Let us be made worthy of the name of human being
 And let us be bound with the thread of unity.

LOCATION

The College is situated in the heart of Kottayam town, in the MD Seminary Compound, flanked by the awe-inspiring steeples of Mar Elia Cathedral on the right side and the impressive complex of the Malayala Manorama on the left, overlooking the expansive Malankara estates and the meandering Kodoor river. The site is easily accessible by road, rail and water transport systems.

A BRIEF HISTORY

Our College was established in the year 1964 by a galaxy of eminent men to fulfil the long cherished dream of the Malankara Orthodox Christian Community to dedicate themselves to the service of God and man. This premier postgraduate institution that flourished from the precincts of the MD Seminary High School perpetuates the sacred memory of our heavenly patron **His Holiness Baselius Geevarghese II**, the late lamented Catholicos of the East, who steered the destiny of the Orthodox Church with grace and vision for more than three decades.

The infant institution was given liberal shelter by the M.D. Seminary High School in its classrooms. The first manager, the late lamented H.G. Mathews Mar Ivanios Metropolitan of Kottayam and the first Principal, the late Dr. A.P. Mani, and the members of the Governing Board took personal interest in the development of the college. Only Pre-degree courses were offered then. In the year 1966, this junior college was upgraded and degree courses were started. It was indeed a milestone in the growth of the college. By and by, classrooms were made available for housing the various batches and classes. Academic honours followed one after another. The college soon made an impressive name in sports and games too. New structures sprang up as a result of generous contributions made by the public and with the financial assistance from the management. The college was then under a single management. Later it was brought under the Educational Agency of the MOC Colleges in 1979 and His Grace Daniel Mar Philexinos took over the reins as the Corporate Manager.

After H.G. Mar Philexinos' demise, H.G. Mathews Mar Barnabas and later H.G. Philipose Mar Eusebius and still later H.G. Dr. Yakob Mar Irenaios took up the charge of Corporate Managers. H.G. Kuriakose Mar Clemis Metropolitan under whose able stewardship the college set new benchmarks for excellence stepped down from office recently. Currently the mantle is on H.G. Dr. Thomas Mar Athanasius under whose stewardship, the College is all set to scale greater heights.

During the last Fifty years of its illustrious existence, the college could produce brilliant academicians, administrators, politicians and also sports prodigies who represented our nation in international tournaments. It is now poised for meeting the challenges of the 21st century. The college now offers Undergraduate programmes in Physics, Chemistry, Mathematics, Malayalam, Commerce, Zoology, Botany, English, Economics, Politics and Business administration & Post-Graduate courses in English, Commerce, Economics, Physics and Chemistry and also a Research Programme in English leading to the award of Ph.D. With the starting of B.Com (Office Management and Secretarial Practice) in 1996, the college entered a new phase of vocationalisation of education.

Various funds released from the UGC under its general development programmes and other specific schemes make every department more or less well-tuned to the task of personality development and academic progress of the students. With several intra-departmental and inter departmental activities all round the year, the student community stands to gain in a big way.

The campus is made vibrant by several co-curricular and extra curricular activities. There are subject associations in all departments, clubs to promote artistic talents of students, tutorial system to facilitate greater inter-personal interaction and relationship, NSS units to strengthen the sense of national integration and social commitment, NCC battalion to inculcate a sense of discipline and national defence, and above all a unit of the MGOCSM to nurture and nourish the spiritual needs of the students. There is also a full-fledged computer centre which imparts basic training to our students. The Audio-Visual Centre facilitates educational sessions through different packages. A well equipped Language Laboratory with the latest software in Communicative Skills and Personality Development provides specialised training to students.

The **GOLDEN JUBILEE** celebrations were solemnly inaugurated by the Honorable Chief Minister of Kerala, Sri. OommenChandy on January

2, 2014. The proclamation rally in which the entire college community participated with pomp and splendour enthralled the entire town. Basking in the jubilee glory, the College has flagged off an eclectic mix of programmes, seminars, symposia, sports events and exhibitions. To name a few, a sublime violin concert by the celebrated Dr. N. Rajam, grand gala get-together of Baselius family, and a phenomenal History Congress marked the beginning of an effervescent year of events. Organ donation pledge by staff and students, substantial financial assistance to 50 deserving students, 'Jubilee Bhavan' for a poor student etc. are among other jubilee initiatives. An array of events is in the offing to make the year a significant one. A golden jubilee souvenir is in the making encapsulating the unforgettable history and memory that is Baselius.

WOMEN'S HOSTEL

The UGC sponsored H.H. Mathews I Women's Hostel presently houses 90 students from across Kerala. The hostel is equipped with ample facilities catering to the various requirements of the students. The inmates are expected to conduct themselves in their dignity and discipline upholding the values of the institution.

PEAKS OF EXCELLENCE

Over the years, our college has won many laurels and thus ensured an enviable place of honour and won special renown in the highest echelons of academic life in Kerala. Young Baselians have brought glory and honour to their Alma Mater in the academic and co-curricular fields. We hope that their invincible will, indomitable courage and unflinching devotion to duty will inspire the entire Baselian family and provide them with the much needed spur to aspire for greater honours.

Baselius College has always been credited with outstanding Principals and teachers who have won great honours / awards instituted by various organisations and institutions like AIACHE. Prof. Jacob Kurian Onattu was selected for the coveted "M.V. Pylee Award", for the Best Principal of Kerala 2012 -13 by Kerala Higher Education Trust, Kochi. It is a matter of pride to note that many of our faculty have been appointed as Principals in different Colleges under the MOC management.

DEPARTMENT OF PHYSICS

Ph.No. 0481-2566162

baseliusphysics1998@gmail.com

On the blessed occasion of the golden jubilee of Baselius College, the department of Physics is happy to place on record its achievements and attainments of the yestears. The department had its humble beginnings in the fledgling days of the college under the able stewardship of Prof. C.K. Kuriakose. In those far off days, Physics was taught for pre-degree and subsidiary classes. During the tenure of Prof. K.T. Joy, this

department could set its mark in the academic arena by the introduction of undergraduate programme in 1995 and postgraduate programme in 1998. Ever since then, this department has scaled greater heights with the concerted efforts of our retired eminent faculty members- Prof. K.V Kuriakose, Prof. P. U Thomas, Dr. Varghese John, Prof V. John, Prof V. V Mathew, Prof K. Mathew (also a former member of the syndicate in Mahatma Gandhi University), Late Prof. Susan John K, Prof Elizabeth Varghis and Dr. V.M Mathew.

At present, this department has strength of 9 faculty members, 3 laboratory staff, a mechanic along with 85 students in the B.Sc programme and 24 students in the M.Sc. programme respectively. In the last 5 years, the faculty members of this department have contributed over 20 research papers in both International/ national journals of repute and in International/ national conference proceedings. Apart from teaching physics courses and guiding students in their projects, teachers actively engage in regular seminars, discussion forums and popular talks. Regular visits of experts and scholars from the Academia and industry for technical and popular talks add to the vibrant academic culture of sharing and collaboration. The present faculty is also very active in extension programmes in reaching out to the public and high school students through street plays, exhibitions and demonstration-teaching programmes. The department takes pride in projecting Dr. Nibu A George, recipient of the Young scientist award for the year 2012-13 instituted by Marthoma Syrian church of Malabar, and also a holder of an international patent for light source comprising a light emitter arranged inside a translucent outer envelope. The department of Physics takes pride in projecting its academic performance by achieving 100% first class for B.Sc. programme twice and also for having the highest GPA for B.Sc. programme in Mahatma Gandhi University in the previous year.

To boost the quality of education, the young Physics department has organized a 2-day UGC sponsored National seminar on Microprocessors in 2001, 2-day KSCSTE sponsored State level workshop on Recent Trends in Physics in 2004, 6-day State level workshop on Information Technology in 2006 and 2-day UGC sponsored National workshop on Mesmerisms in Optoelectronics in 2011. Apart from these, every year the department organizes Prof. C.K Kuriakose memorial lecture series in current Physics as a memorial to the founder HOD and All Kerala Intercollegiate Physics quiz competition in memory of Late Prof. Susan John K. A department library with over 2000 books on Physics and related topics, a moderately well equipped electronics lab and a computer lab with internet facility substantially enhances the academic pursuits of students and faculty.

The members of the Physics association organize Physifest as a part of Alumni day and as a mark of the inception of the department -15th November, where both alumni and the present students showcase their talents. The department of Physics is now well-set to become a full fledged research centre.

Our college has a company of 108 Cadets under 16 Kerala Bn. NCC and is commanded by Lt. Dr. Biju Thomas, Dept. of Physical Education. The students who get enrolled can attain 'B' and 'C' certificates after a service of two and three years respectively.

NSS

To promote respect for labour, discipline, Gandhian principles, national integration and work culture, we have at present 3 NSS units in our college. They are now very ably guided and properly directed by two Programme Officers - Prof. Sarath P. Nath and Prof. Arabhi P. The NSS is a cradle for leadership training and for learning the fundamentals of group dynamics. So, by joining NSS, every student ensures success in life and personality development. Due weightage is also given to its volunteers in future programmes of study and job placements.

BLOOD DONORS' CLUB

This is yet another unique venture of our College. The members continue the work of the good Samaritan by donating blood and they save precious human lives and keep the dignity of the human race. All the members of the Baselius Family can join the Club and express their solidarity with the suffering humanity. The club members are greatly inspired by its founder president Rev. Fr. P. M. Cherian who looked after the affairs of the Club from 1968 to 1997 when he retired from the Department of English.

RED RIBBON CLUB

mass blood donation programmes on selected dates, accepting blood from all willing students and staff. It also arranges blood for medical emergencies reported from neighbouring hospitals.
