LOCATION

The College is situated in the heart of Kottayam town, in the MD Seminary Compound, flanked by the awe-inspiring steeples of Mar Elia Cathedral on the right side and the impressive complex of the Malayala Manorama on the left, overlooking the expansive Malankara estates and the meandering Kodoor river. The site is easily accessible by road, rail and water transport systems.

A BRIEF HISTORY

Our College was established in the year 1964 by a galaxy of eminent men to fulfil the long cherished dream of the Malankara Orthodox Christian Community to dedicate themselves to the service of God and man. This premier postgraduate institution that flourished from the precincts of the MD Seminary High School perpetuates the sacred memory of our heavenly patron **His Holiness Baselius Geevarghese II**, the late lamented Catholicos of the East, who steered the destiny of the Orthodox Church with grace and vision for more than three decades.

The infant institution was given liberal shelter by the M.D. Seminary High School in its classrooms. The first manager, the late lamented H.G. Mathews Mar Ivanios Metropolitan of Kottayam and the first Principal, the late Dr. A.P. Mani, and the members of the Governing Board took personal interest in the development of the college. Only Pre-degree courses were offered then. In the year 1966, this junior college was upgraded and degree courses were started. It was indeed a milestone in the growth of the college. By and by, classrooms were made available for housing the various batches and classes. Academic honours followed one after another. The college soon made an impressive name in sports and games too. New structures sprang up as a result of generous contributions made by the public and with the financial assistance from the management. The college was then under a single management. Later it was brought under the Educational Agency of the MOC Colleges in 1979 and His Grace Daniel Mar Philexinos took over the reins as the Corporate Manager.

After H.G. Mar Philexinos' demise, H.G. Mathews Mar Barnabas and later H.G. Philipose Mar Eusebius and still later H.G. Dr. Yakob Mar Irenaios took up the charge of Corporate Managers. H.G. Kuriakose Mar Clemis Metropolitan under whose able stewardship the college set new benchmarks for excellence stepped down from office recently. Currently the mantle is on H.G. Dr. Thomas Mar Athanasius under whose stewardship, the College is all set to scale greater heights.

During the last Fifty One years of its illustrious existence, the college could produce brilliant academicians, administrators, politicians and also sports prodigies who represented our nation in international tournaments. It is now poised for meeting the challenges of the 21st century. The college now offers Undergraduate programmes in Physics, Chemistry, Mathematics, Malayalam, Commerce, Zoology, Botany, English, Economics, Politics and Business administration & Post-Graduate courses in English, Commerce, Economics, Physics and Chemistry and also a Research Programme in English leading to the award of Ph.D. With the starting of B.Com (Office Management and Secretarial Practice) in 1996, the college entered a new phase of vocationalisation of education.

Various funds released from the UGC under its general development programmes and other specific schemes make every department more or less well-tuned to the task of personality development and academic progress of the students. With several intra-departmental and inter departmental activities all round the year, the student community stands to gain in a big way.

The campus is made vibrant by several co-curricular and extra curricular activities. There are subject associations in all departments, clubs to promote artistic talents of students, tutorial system to facilitate greater inter-personal interaction and relationship, NSS units to strengthen the sense of national integration and social commitment, NCC battalion to inculcate a sense of discipline and national defence, and above all a unit of the MGOCSM to nurture and nourish the spiritual needs of the students. There is also a full-fledged computer centre which imparts basic training to our students. The Audio-Visual Centre facilitates educational sessions through different packages. A well equipped Language Laboratory with the latest software in Communicative Skills and Personality Development provides specialised training to students.

The college is basking in the glory of the Golden Jubilee which has just concluded in pomp & splendor along with having undergone the third cycle of the NAAC Accreditation process, conferring on the college an enviable. A grade with a CGPA of 3.11.

The Baselian community is committed to sailing the height of academic excellence & community service that it has been carrying out for the past 51 years.

PEAKS OF EXCELLENCE

Over the years, our college has won many laurels and thus ensured an enviable place of honour and won special renown in the highest echelons of academic life in Kerala. Young Baselians have brought glory and honour to their Alma Mater in the academic and co-curricular fields. We hope that their invincible will, indomitable courage and unflinching devotion to duty will inspire the entire Baselian family and provide them with the much needed spur to aspire for greater honours.

Baselius College has always been credited with outstanding Principals and teachers who have won great honours / awards instituted by various organisations and institutions like AIACHE. It is a matter of pride to note that many of our faculty have been appointed as Principals in different Colleges under the MOC management.

Ph. No. 0481-2566162

E-mail ID: physics.baseliusscollege@gmail.com

The department of Physics has geared up to take on activities of this academic year with an A grade secured by the Baselius college by way of NAAC reaccreditation (3rd cycle). The department is happy to place on record its achievements and attainments of the yester years. The department had its humble beginnings in the fledgling days of the college under the able stewardship of Prof. C.K. Kuriakose. In those far off days, Physics was taught for pre-degree and subsidiary classes. During the tenure of Prof. K.T. Joy, this department could set its mark in the academic arena by the introduction of undergraduate program in 1995 and postgraduate program in 1998. Ever since then, this department has scaled greater heights with the concerted efforts of our retired eminent faculty members- Prof. K.V Kuriakose, Prof. P. U Thomas, Prof. T. C. Thomas (Also acted as the chairman of the National Service Scheme of the Mahatma Gandhi University), Dr. Varghese John, Prof V. John, Prof V. V. Mathew, Prof K. Mathew (also the member of the syndicate in Mahatma Gandhi University), Late Prof. Susan John K, Prof Elizabeth Varghis, Dr. V. M Mathew and Dr. Nirmala Joseph.

At present this department has a strength of 9 faculty members and one faculty member for electronics, 3 laboratory staff, a mechanic along with 85 students in the B.Sc program and 24 students in the M.Sc. programme respectively. In the last 5 years, the faculty members of this department have contributed over 20 research papers in both International/ national journals of repute and in International/ national conference proceedings. Apart from teaching physics courses and guiding students in their projects, teachers actively engage in regular seminars, discussion forums and popular talks. Regular visits of experts and scholars from the Academia and industry for technical and popular talks add to the vibrant academic culture of sharing and collaboration. The present faculty is also very active in extension programmes in reaching out to the public and high school students through street plays, exhibitions and demonstration-teaching programmes. The department takes pride in projecting Dr. Nibu A George, recipient of Young scientist award for the year 2012-13 instituted by Marthoma Syrian church of Malabar, also a holder of an international patent for light source comprising a light emitter arranged inside a translucent outer envelope, and also Dr. Anisha Mary Mathew again a patent holder for conducting polymers. The department of Physics takes pride in projecting its academic performance by achieving twice 100% first class for B.Sc programme and also for having the highest GPA in Mahatma Gandhi University in 2012-13.

To boost the quality of education, the young Physics department has organized a 2-day UGC sponsored National seminar on Microprocessors in 2001, 2-day KSCSTE sponsored State level workshop on Recent Trends in Physics in 2004, 6-day State level workshop on Information Technology in 2006 and 2-day UGC sponsored National workshop on Mesmerisms in Optoelectronics in 2011. Apart from these, every year the department organizes Prof. C.K Kuriakose memorial lecture series in current Physics as a memorial to the founder HOD, All Kerala Intercollegiate Physics quiz competition in memory of Late Prof. Susan John K and also All Kerala Power point presentation. 2015 year has been declared as the International year of light, and the department of Physics is planning to organize an All Kerala seminar on the phenomenon of Light along with an exhibition, with the sponsorship of the Academy of Physics Teachers (APT). A department library with over 2000 books on Physics and related topics, a well equipped electronics lab and a computer lab with internet facility that substantially enhances the academic pursuits of students and faculty.

The members of the Physics association organize Physifest as part of Alumini day and as a mark of the inception of the department -15th November 1995, where both alumini and the present students showcase their talents. The department of Physics has become a full fledged research centre.

HOME PAGE

We have formed a number of student clubs covering almost the entire spectrum of co-curricular activities of the College to enrich campus life and make it more rewarding to each and every member of the Baselius family. Should you wish to join any of these clubs, the teachers-in-charge will be too glad to help you.

N.C.C

National Cadet Corps, the biggest youth organisation is functioning under the Ministry of Defence, Govt. of India. It inculcates discipline and sense of unity and patriotism in youth and trains in defence preparedness. It also aims at the development of leadership, character and comradeship among the youth. The Central and State Govts. are giving a number of incentives including weightage for education, job reservation etc. for N.C.C. cadets.

Our college has a company of 108 Cadets under 16 Kerala Bn. NCC and is commanded by Lt. Dr. Biju Thomas, Dept. of Physical Education. The students who get enrolled can attain 'B' and 'C' certificates after a service of two and three years respectively.

NSS

To promote respect for labour, discipline, Gandhian principles, national integration and work culture, we have at present 3 NSS units in our college. They are now very ably guided and properly directed by two Programme Officers - Prof. Sarath P. Nath and Prof. Arabhi P. The NSS is a cradle for leadership training and for learning the fundamentals of group dynamics. So, by joining NSS, every student ensures success in life and personality development. Due weightage is also given to its volunteers in future programmes of study and job placements.

BASELIAN

The campus magazine 'Baselian' is a unique venture of our College. It provides ample opportunities for the students to express their literary talents by contributing articles, stories, poems, one-act-plays, reviews, foreign policy notes, campus projection, campus analyses, department tit bits etc. It will be highly rewarding if you make it a habit to read campus news from the campus magazine and contribute to its columns.

CAREER GUIDANCE & PLACEMENT CELL

It was in 1992 during the tenure of Prof. M J .Thomas as Principal that the Career Guidance Club along with eight other clubs was formed. The Career Guidance & Placement Cell Organises programmes to create awareness on various job opportunities. So also training programmes are conducted to improve the soft skills of the students and make them employable. The placement cell takes initiative in conducting Campus Placement Drives. In 2014-15, different organisations including South Indian Bank came to the campus for Campus Recruitment & many students of our college got placed.

MGOCSM (Mar Gregorios Orthodox Christian Students' Movement)

The *Vidyarthi Prasthanam* has taken its deep roots on our campus. MGOCSM caters to the spiritual needs of our students. Under the auspices of this august organisation, prayer meetings are conducted on all Fridays. One day programmes, camps, pilgrimage to Parumala on 2nd November every year, value education classes etc are arranged by MGOCSM.

BLOOD DONORS' CLUB

This is yet another unique venture of our College. The members continue the work of the good Samaritan by donating blood and they save precious human lives and keep the dignity of the human race. All the members of the Baselius Family can join the Club and express their solidarity with the suffering humanity. The club members are greatly inspired by its founder president Rev. Fr. P. M.

Cherian who looked after the affairs of the Club from 1968 to 1997 when he retired from the Department of English.

RED RIBBON CLUB

The Red Ribbon Club is functioning in this college in close association with our NSS units. Its main objective is to sensitize students regarding the need for voluntary blood donation. Side by side, it also helps create awareness regarding diseases such as HIV / Aids, Hepatitis B etc which are mainly spread through infected blood, casual and unprotected sexual contact etc. Our Red Ribbon Club unit arranges mass blood donation programmes on selected dates, accepting blood from all willing students and staff. It also arranges blood for medical emergencies reported from neighbouring hospitals. Every year, on World Aids Day (December 1st), there will be special awareness programmes under the auspices of the RRC.
