## Internal Mentoring

Officially ten hours is declared for the purpose of internal mentoring session. The venue of this session is our college campus itself. Internal mentoring sessions on working days before and after the class hours and Saturdays without affecting the normal academic routine of the students and the college. Before starting the proper session, our mentors made them well equipped in varied areas.

As part of internal mentoring, all three batches of students were taken to Kochi- Muziris biennale and were accompanied by their internal mentors. The biennale's main venue is Aspin wall House, a crumbling colonial warehouse on the water.

Highlights here include photographs of dead bodies that have been dressed in couture and heavily styled by Russian collective and a pyramid made of cow dung and wood by Slovenian poet Ales Steger. There were around 20 collateral events all over Kochi, and not to be missed is 'Kissa Kursi Ka', a show of 'thrones' on display at Heritage Arts. Their creator, Delhi-based designer Gunjan Gupta, appropriates objects historically used as seats before the upright chair is thought to have come to India in the 15<sup>th</sup> century and turns them into limited-edition collectables.

Gupta spearheads a new generation of contemporary Indian designers and among the ten works on show was her 'Bori' sofa, made from jute sacks which were very interesting to the students.

Internal mentors started their sessions in the first week of June 2016 itself. The Personal details of all the mentees were collected. It includes economic and social background, family details, previous academic performance, interested field and extension activities etc. After making rapport with mentees guidance given to them according their needs. The internal mentoring session was a support to the mentees to identify their genuine interest. The session for internal mentoring was scheduled by the mentors themselves according to their convenience and engaged 10 hours session by each of them. The sessions were arranged after the regular class. Attendance register for the scholars and mentors maintained separately. The detailed evaluation report of the same was given prepared by internal mentors and submitted to the principal.

## **PRATHIBHA SANGAMAM - 2017**

The first and second year mentees were assigned to organize “Prathibha sangamam” which is a prestigious day when the meritorious achievements of our students are acknowledged and celebrated.

Rank winning students, winners of University Youth Festival and students who brought laurels to the college for various sports championships were honoured and congratulated for their inspiring achievements. Various scholarships were also distributed during the function. Prof. Suja Susan George, Director, Malayalam Mission inaugurated the meeting and was presided over by Prof. Alexander V George, our Principal.

WWS mentees Punya M and Ann Mary Baby compered the function and Mishel Maria Johnson of third year proposed vote of thanks. All students worked hard to organize this event flawlessly and it turned out to be a success. The principal and colleagues appreciated the eefort and congratulated the WWS team.

**WWS mentees : Mishel Maria Johnson(Vote of thanks) , Jayasree S (Best outgoing student)  
Raga Thankachan (Kalathilakam)**

## **EXTERNAL MENTORING SESSIONS**

The main weaknesses of the mentees are emotional imbalance, stage fear, Communication problem and Lack of confidence. External mentoring session was organized in such way that the mentees can overcome this kind of problems. The resource persons selected for the mentoring started their session in the second Week of July 2016. External mentoring sessions of all batches were conducting separately.

External mentoring classes were scheduled on Saturdays according to the convenience of the resource persons and all mentees and internal mentors were asked to attend the classes. The interactive sessions given by them gave more importance to solve the problem of stage fear, communication and confidence of mentees. Special Emphasis was given to motivate and create more confidence among mentees to avail better future opportunities.

**External Mentoring: Nakul Sudhakaran**

**External Mentoring: Dr. M P Abraham, Prfo. Motti Thomas Zacharia and D. T P Sasikumar**

Personality development, Career counselling, Orientation for preparing competitive examinations were the main activities of the external mentoring. Each of the external mentors engaged in Five Hour session allotted to them, separate attendance for the mentors and scholars maintained for their sessions. The external mentoring sessions completed on 17<sup>th</sup> June 2017.

Students often do not have the soft skills necessary to pitch themselves to employers, are nervous about the experience, or get stumped by unfamiliar questions. Practicing these essential skills will give students the knowledge and confidence to land their dream job with ease. Keeping that in mind, a mock interview was conducted for the third year mentees by Nidhin Krishna and Sruthy Krishna of Talent Us academy.

**External Mentoring: Nidhin Krishna & Sruthi Krishna**

**External Mentoring: Jinse and Aslam**

## **FOCUS 2017**

The State Motivation Camp (SMC) (MG) of the Walk With a Scholar (WWS) Programme was held at Chaithanya Camp Centre, Thellakam, Kottayam from 20<sup>th</sup> January to 22<sup>nd</sup> January, 2017. Anuja Mariam Kurian, third year mentee participated in the camp and she was highly motivated and inspired by interacting with other mentees of different colleges. It was a new experience for her. Experts from various fields were invited to meet the students, interact with them, share their experiences etc. The students were motivated by knowing them closer. The Camp also gave the students an opportunity to know their counterparts from other institutions, experience the importance of sharing, address the complex challenges of getting along with a new group of people and optimize their psycho-social development etc. A cultural evening gave the students a platform to exhibit their cultural talents. Experience sharing sessions gave an insight into the progress of the WWS Programme through senior Mentees and Coordinators.

## **MOCK TEST/INTERVIEW**

Preparing to move on to a career after completing a degree program is an important step to success. A part of the preparation one will want to take on is to complete a mock interview, also known as practice interviewing. The benefits of a practice interview are many, including learning how to answer difficult questions, interview strategies, improving communications skills, and lowering the amount of stress that can build up before it. Mr. Nidhin Krishna and Sruthi Krishna of TalentUs Academy conducted the Mock interview for the final year mentees in three sessions. They had a 20-minute interview with the professional and then were critiqued on his or her performance. Students actively participated in the interview and they said that mock interviews were really helpful and enjoyable. They were of the opinion that mock interviews were one of the most valuable career development experiences they had because they learned things they never would have ever known or learned otherwise. Talent Us academy extended their help and advice for the students even after leaving the campus.

## **WWS LIBRARY**

A library with a collection of 158 books is maintained for the WWS students and they are instructed to take books of their interest by the internal mentors. Prof. Nibu B Thomas, internal mentor is in charge of the library. An issue register and a stock register is also maintained.

## **EVALUATION OF THE PROGRAMME**

The internal mentoring session was a way to identify the strength and weakness of mentees, based on this proper guidance has been given to them. The external mentors handled their session by providing Career oriented motivations, techniques for developing communication skill, attending competitive examination and interviews, life skill development, 21<sup>st</sup> century skills, etiquettes etc. The framing of time table for the programme was the greatest challenge faced by the internal mentors due to the tight scheduling of academic activities under semester system. Still, the internal mentors played their part well under these constraints and tried to complete the mentoring sessions on time.
