Dear Sir/Madam,

International Day for the Preservation of the Ozone Layer was observed globally on 16<sup>th</sup> September 2017 with the theme 'Caring for all life under the sun.' The Day commemorates the date of the signing the Montreal Protocol on Substances that depletes the Ozone Layer in 1987. This Year marks the 30<sup>th</sup> anniversary of the Montreal Protocol. In this context, the Department of Botany, Baselius College, Kottayam observes the day with various awareness programmes on 22<sup>nd</sup> and 25<sup>th</sup> September 2017. We are organizing a seminar on '*Ozone Depletion - Implications on Life on Earth*' sponsored by KSCSTE with a view to creating awareness towards the need of protection of Ozone layer in young minds. We are also organizing a Documentary exhibition and Poster designing competition for plus two students from nearby schools and students from various departments of our college.

You are cordially invited to be a part of this event and make this programme a great success.
